The finishing touches

Clean portraits without props

Playful prop selection

Choose a simple portrait look or a curated selection of the props already in our collection. We coordinate your table and available linens with the setup.

Tell us your favorites in the planning questionnaire. We will confirm the exact backdrop design and availability for your event.

Keep their voices

The Voice Edit **$200**

A standalone audio guestbook experience

Choose an Ivory or Noir memory phone for a four hour rental. We coordinate your greeting, provide a simple instruction sign and deliver your guests' recordings in a private folder.

Includes local delivery and pickup within 15 road miles one way of Fayetteville. The phone is an unattended guest activity during the rental. Venue placement and a suitable table are confirmed during planning.

How your guests use it

01 **Lift the receiver**

Listen to the greeting.

02 **Leave a little love**

Share your name, a story, a wish or a little advice.

03 **Hang up**

We preserve the message for the event hosts.

Choose a quieter corner away from speakers so guests can leave messages comfortably. Ask your host or planner to invite guests to the phone throughout the celebration.

Audio delivery within seven business days. A custom edited film, audio montage or physical keepsake is not included.

Plan your celebration

Check your date

Send your event date, venue, preferred service hours and the experience you have in mind.

Make it yours

We confirm your backdrop, photo design, phone selection and venue setup details.

Reserve the experience

A signed agreement and the required reservation payment secure your booking. The proposed reservation payment is 30%, with the balance due 14 days before the event. Short notice bookings require full payment.

Enjoy the memories

Photo galleries are delivered within three business days and audio within seven business days. Download access is available for 90 days.

A few helpful details

We confirm a safe operating area, power, loading access and event timeline with your venue. Outdoor service requires an approved cover and weather plan. Mobile photo delivery depends on connectivity. Special effects are offered only after the complete system has been tested.
